

DOGRIDGE VINEYARD
McLAREN VALE SAUVIGNON BLANC

DOGRIDGE VINEYARD is nestled in the foothills overlooking McLaren Vale. This South Australian premium wine growing region is known for its consistency and reliability. Dogridge Vineyard supports biodiversity and employs modern sustainable viticultural practices which optimise vine health and sun exposure resulting in fruit of exceptional colour and quality. This desirable combination has led to the creation of wines that express outstanding depth and richness of flavour. What else would you expect from McLaren Vale?

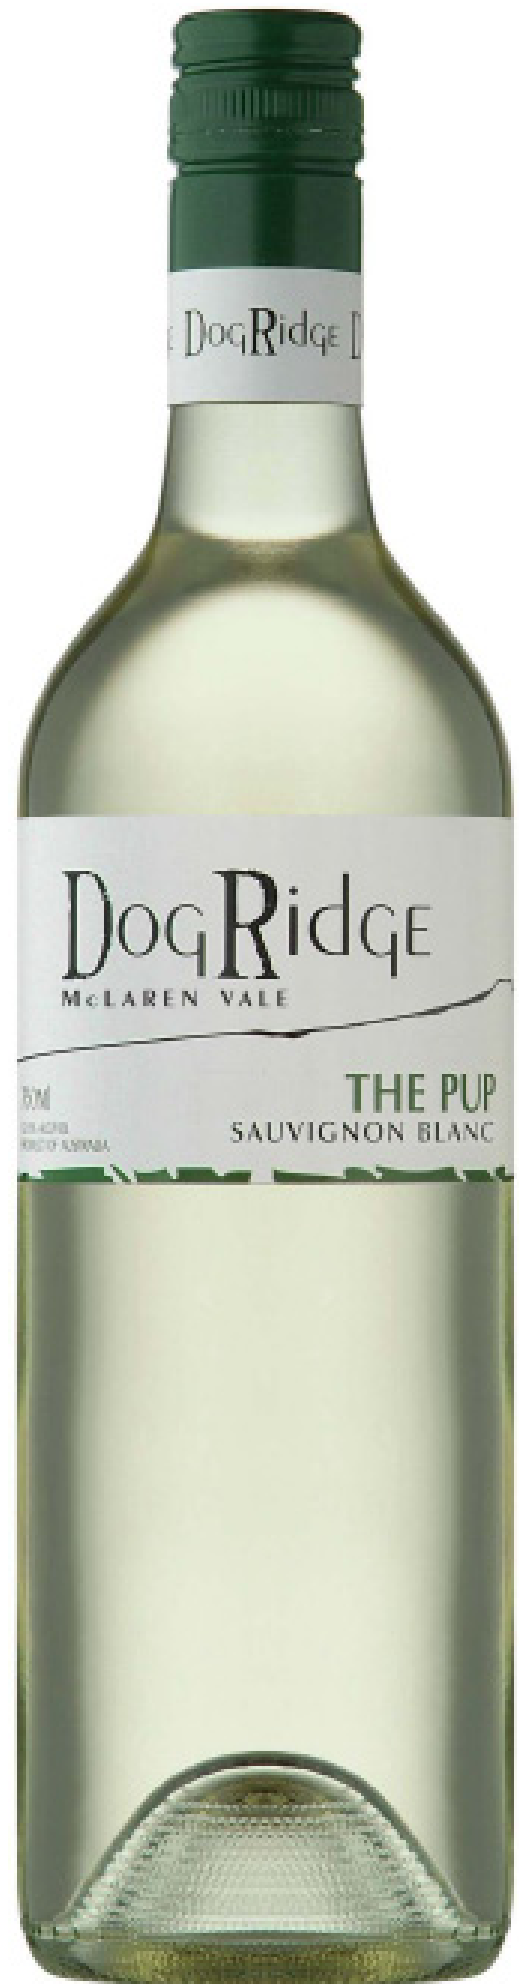

THE PUP

Much like our curly coated retriever pup, this McLaren Vale wine is young, lively and adorable. A wine for happy occasions. Enjoy now or let her lie down until the next rainy day.
