

A cadenza is an impassioned improvisation played by a virtuoso soloist towards the end of a musical performance. "CADENZIA" is made in celebration of our winemaker's opportunity, after vintage, to blend an exceptional McLaren Vale wine around the Grenache variety. Our low yielding 60 year old DV2 Grenache vineyard produces some of McLaren Vale's most desirable fruit. Closed with a Zork, this unique red wine is made of Grenache 85%, Shiraz 7%, Petit Verdot 5% and Chardonnay 3%. About a dozen McLaren Vale winemakers are also making their own Cadenza. (check out www.mclarenvale.info) Enjoy ours now or keep for a rainy day.

SUGGESTED FOOD: Flavour filled cooked tomato dominant dishes. (ie. Napolitano pasta sauces, soups, bruschetta & salads)

DOGRIDGE VINEYARD is nestled in the foothills of McLaren Vale. This South Australian premium wine growing region is known for its consistency and reliability. Dogridge Vineyard supports biodiversity & employs modern sustainable viticultural practices that optimise vine health & sun exposure creating fruit of extraordinary quality. What else would you expect from McLaren Vale? Cheers,
Dave Wright (Vines)
Fred Howard (Wines)
